BAREMETRICS, INC.

**SAFE
(Simple Agreement for Future Equity)**

THIS CERTIFIES THAT in exchange for the payment by General Catalyst Group VII, L.P. (the "**Investor**") of \$500,000.00 (the "**Purchase Amount**") as described herein, **Baremetrics, Inc.**, a Delaware corporation (the "**Company**"), hereby issues to the Investor the right to certain shares of the Company's capital stock, subject to the terms set forth below.

The "**Valuation Cap**" of this SAFE is \$10,000,000.00. See **Section 2** for certain additional defined terms.

1. Events

(a) **Equity Financing.** If there is an Equity Financing before the expiration or termination of this instrument, the Company will automatically issue to the Investor either: (1) a number of shares of Standard Preferred Stock sold in the Equity Financing equal to the Purchase Amount divided by the price per share of the Standard Preferred Stock, if the pre-money valuation is less than or equal to the Valuation Cap; or (2) a number of shares of SAFE Preferred Stock equal to the Purchase Amount divided by the SAFE Price, if the pre-money valuation is greater than the Valuation Cap.

In connection with the issuance of Standard Preferred Stock or SAFE Preferred Stock, as applicable, by the Company to the Investor pursuant to this Section 1(a):

(i) The Investor will execute and deliver to the Company all transaction documents related to the Equity Financing; *provided*, that such transaction documents are the same documents to be entered into with the purchasers of the Standard Preferred Stock, with appropriate variations for the SAFE Preferred Stock if applicable;

(ii) The Investor and the Company will execute a Pro Rata Rights Agreement, unless the Investor is already included in such rights in the transaction documents related to the Equity Financing; and

(iii) This instrument will expire and terminate.

(b) **Liquidity Event.** If there is a Liquidity Event before the expiration or termination of this instrument, the Investor will, at its option, either (i) receive a cash payment equal to the Purchase Amount (subject to the following paragraph) or (ii) automatically receive from the Company a number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price, if the Investor fails to select the cash option. Thereafter, this instrument will expire and terminate.

In connection with Section (b)(i), the Purchase Amount will be due and payable by the Company to the Investor immediately prior to, or concurrent with, the consummation of the Liquidity Event. If there are not enough funds to pay the Investor and holders of other SAFEs (collectively, the “**Cash-Out Investors**”) in full, then all of the Company’s available funds will be distributed with equal priority and *pro rata* among the Cash-Out Investors in proportion to their Purchase Amounts, and the Cash-Out Investors will automatically receive the number of shares of Common Stock equal to the remaining unpaid Purchase Amount divided by the Liquidity Price. In connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce, *pro rata*, the Purchase Amounts payable to the Cash-Out Investors by the amount determined by its board of directors in good faith to be advisable for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, and in such case, the Cash-Out Investors will automatically receive the number of shares of Common Stock equal to the remaining unpaid Purchase Amount divided by the Liquidity Price.

(c) **Dissolution Event.** If there is a Dissolution Event before this instrument expires or terminates, the Company will pay the Investor an amount equal to the Purchase Amount, due and payable to the Investor immediately prior to, or concurrent with, the consummation of the Dissolution Event. The Purchase Amount will be paid prior and in preference to any Distribution of any of the assets of the Company to holders of the Company’s capital stock by reason of their ownership of such stock. If immediately prior to the consummation of the Dissolution Event, the assets of the Company legally available for distribution to the Investor and all holders of all other SAFEs (the “**Dissolving Investors**”), as determined in good faith by the Company’s board of directors, are insufficient to permit the payment to the Dissolving Investors of their respective Purchase Amounts, then the entire assets of the Company legally available for distribution will be distributed with equal priority and *pro rata* among the Dissolving Investors in proportion to the Purchase Amounts they would otherwise be entitled to receive pursuant to this Section 1(c). After the payment, or setting aside payment, to the Investor, this instrument will expire and terminate.
